

# Craig Barnhart

Chief Financial Officer

Craig Barnhart is the Chief Financial Officer of Advanced Vehicle Assemblies with more than 35 years of financial and operational experience with technology driven manufacturing companies. Prior to Advanced Vehicle Assemblies, Craig was the Chief Financial Officer for Freudenberg Oil & Gas Technologies. In this role, he was responsible for all financial aspects of the business including oversight of the financial results, information technologies, contract and risk management.

Craig was with the Freudenberg Group Companies for 24 years serving in financial, operational and corporate positions of increasing responsibility. Prior to his most recent assignment as the CFO of the Oil & Gas Business, Craig held operational roles as the Vice President of Restructuring leading the manufacturing footprint and cost reduction activities during the 2008-09 financial crisis and the General Manager of the Gaskets Division for Freudenberg-NOK. Craig also served as the CFO for the automotive and manufacturing operations of Freudenberg-NOK with responsibility for business operating systems, budgeting, forecasting, costing, IT and overall measurement of business performance.

Craig started his career with Price Waterhouse in Detroit, Michigan serving a number of clients in the automotive industry.

**Craig holds a bachelors degree from Central Michigan University and an MBA from The University of Detroit.**
